Sports Premium Predicted Spending 2018 - 2019

Date	September 2018
Review Date	September 2019
Date agreed by Governors	September 2018
Governor Agreed	Mrs Christine Weightman (Chair) and Mrs Emily White (Vice-Chair)

Introduction:

Within our school we aim to provide high quality sporting experiences for our children and to continually improve our own practice. We monitor and track the development and progression of our children through assessment to ensure that their attainment is meeting the set requirements of the National Curriculum.

For the academic year 2018-2019 the proposed amount of premium we have been allocated is £16,700.

The sports premium is set to cover the key indicators:

1. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.
