9th December 2019

Dear Parent/Guardian

I am delighted to be able to share our Ofsted Report with you and to also take this opportunity to say how wonderful it is that the hard work and dedication of everyone associated with this wonderful school has been recognised in the report.

Our pupils, your children, are described as well behaved in school, as happy, friendly and polite and are described as showing good manners such as saying please, thank you, excuse me and holding doors for adults and one another.

Staff are described as having high aspirations for your children and as being kind, caring and approachable.

Your support is noted too. Parents have described communication as brilliant and it is noted that most pupils arrive in school on time; a credit to yourselves and the support you give your children in accessing their right to come to school and learn.

Of course, there are things for us to continue to work on and we appreciate the suggestions given. As noted in the report, staff have high expectations of what pupils can achieve and we are continuously aiming to improve the provision that your child receives in this very special school.

I could not be prouder of the school community as a whole; pupils, parents and staff. It is my honour to be Headteacher of this very special school and I look forward to continuing to work with you to improve things even further.

Many thanks again for your support.

Mrs Louise Thompson
Headteacher
