

Hello

My name is Mrs Bosworth and I'm writing this letter to share some exciting news with you. I am going to be your new teacher when you move into Year 1 and you will be in class 3.

I would like to tell you a few things about what I like to do. I love reading and being outdoors. I also love dogs and I love to go for nice long walks through the woods near my house.

Here are some of the fun things that we do in our class—we learn in lots of different ways! We like to sing, dance, learn outdoors and do creative projects like art and model making! We also build on the amazing maths, phonics and more that we learnt in Reception!

If you want to find out more information about me and what happens in classes, then take a look at our school website and our school Facebook page. <http://www.southstanley-inf.durham.sch.uk/>

Now you know a little bit about me and what we do in class, it would be really nice to find out some things about you. With your grownup write a letter telling me about your family and what you like to do. Then ask your grownup to email it to our school email address southstanleyinfant@durhamlearning.net

I look forward to reading your letter.
