

Hello

My name is Mrs Collier and I'm writing this letter to share some exciting news with you. I am going to be your new teacher when you move into Year 1 and you will be in class 4.

I would like to tell a few things about what I like to do. I love spending time with my little girl, making and creating things and going on exciting adventures. I also enjoy reading books and my favourite series of books is Harry Potter. I love to read them and get lost in the mysterious world of magic.

Here are some of the fun things that we do in our class. We love to dance and sing when learning new things as it helps us to remember them. We also do lots of fun, exciting activities finding out information about things that have happened in the past. But most of all, we always have lots of fun!

If you want to find out more information about me and what happens in classes, then take a look at our school website and our school Facebook page. <http://www.southstanley-inf.durham.sch.uk/>

Now you know a little bit about me and what we do in class, it would be really nice to find out some things about you. With your grownup write a letter telling me about your family and what you like to do. Then ask your grownup to email it to our school email address southstanleyinfant@durhamlearning.net

I look forward to reading your letter.
