

Hello

My name is Mrs Shiels and I'm writing this letter to share some exciting news with you. I am going to be your new teacher when you move into Year 2 and you will be in class 5.

I would like to tell a few things about what I like to do. I have three children and love spending time with them. We especially love going for long walks together with our dog Izzy, sometimes we even take a picnic with us. I also love to read and whenever I have any spare time, I read books, my favourite types of stories are crime stories because I like trying to work out who the culprit is!

Here are some of the fun things that we do in our class. We love to do challenges in all our lessons and try to work things out in different ways. We love Science and doing experiments, we love Art and we practise our painting and drawing skills to produce lots of amazing Art work.

We love learning all about the past and looking at different pictures and artefacts to help us learn about important people from the past. All of our lessons are lots of fun and I can't wait until we can do lots of exciting learning together!

If you want to find out more information about me and what happens in classes, then take a look at our school website and our school Facebook page. <http://www.southstanley-inf.durham.sch.uk/>

Now you know a little bit about me and what we do in class, it would be really nice to find out some things about you. With your grownup write a letter telling me about your family and what you like to do. Then ask your grownup to email it to our school email address southstanleyinfant@durhamlearning.net

I look forward to reading your letter.
