

Summer Term Whole School Overview - Maths

Term	Reception	Year 1	Year 2
Summer	Geometry (Exploring Patterns)	Multiplication and Division	Geometry (Position and Direction)
	Addition and Subtraction (Count on and back)	Fractions	Problem solving and efficient methods
	Number and Place Value (Numbers to 20)	Geometry (position and direction)	Measurement (Time)
	Multiplication and Division (Numerical patterns)	Number and Place Value (within 100)	Measurement (Mass, capacity and temperature)
	Measurement (Measure)	Measurement (Money)	Investigations
		Measurement (Time)
