

SOUTH STANLEY INFANT AND NURSERY SCHOOL

Sports Premium Predicted Spending 2020 - 2021

Date	September 2020
Review Date	September 2021
Date agreed by Governors	September 2020
Governor Agreed	Mrs Christine Weightman (Chair) and Mrs Emily White (Vice-Chair)

Introduction:

Within our school we aim to provide high quality sporting experiences for our children and to continually improve our own practice. We monitor and track the development and progression of our children through assessment to ensure that their attainment is meeting the set requirements of the National Curriculum.

In 2020 – 2021, South Stanley Infant and Nursery School received £16,900 Primary PE & School Sport Premium (highlighted in red). This will be used in conjunction with other grants and funds from the school budget to raise standards in curriculum Physical Education, School Sport, Physical Activity and Healthy living (PESSPA).

Coronavirus Impact: In the 2019-2021 funding for South Stanley and Infant and Nursery School received £16,900, £3612.50 of which was unspent due to the 2020 government national lockdown, school closures and subsequent safety considerations for the pandemic control (see our school 2019-2020 published impact report). The £3612.50 will be rolled over into the 2020-2021 development plan below (highlighted in blue) and spent by March 2021 in line with DfE compliance.

The sports premium is set to cover the key indicators:

1. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.
