Homework

Your support in supporting your child with his/her homework is hugely appreciated. Homework will be sent out every Thursday (starting Thursday 15th September) and returned on the following Monday.

Thank you for your support, it really does make a difference to your child's learning.

Clothing

Could you please ensure that your child's name is clearly written inside of all their clothing, including PE shoes.

If you have any questions or would like to speak to your child's class teacher, they are available before 9am or after 3pm. Alternatively, you can contact school to arrange an appropriate time for them to contact you at home.

Home Reading books

Reading books will be sent out on a Tuesday and Thursday. Please can you sign everyday to say your child has read and return it on a Tuesday and a Thursday.

Changes

Our topic this term is 'I am making history' and the children will be learning all about how changes in their own lives are making history.

Here is an overview of some of the things that you can do with your child to support them with their learning throughout this half term.

Share your family history!
Perhaps your parent/carer has some photos of their own childhood or they could tell you about their experiences at school.

Make a time capsule: Can you find some items which represent your life so far or perhaps write down some key events and put them together in a box/old crisps tube/envelope. Make a list of what you used or wrote down and share it with us in school!

What Season is it now?

What changes do you notice during this season?

Write down what you find out and bring it into school to collect your topic certificate!

Thinking Challenge!

Autumn is the answer, what is the question?

10 is the answer, what is the question?

Bring your answers into school to get your certificate.
